```
create table users(userid varchar(20)
,password varchar(20),
fname varchar(20),
lname varchar(20),
email varchar(20));
```

Screenshots:

Home Page:-

A screenshot of a web browser displaying the 'Orphanage Management' home page. The browser's address bar shows 'localhost:8080/OrphanageManagement/'. The page has a light blue header with the title 'Orphanage Management' in bold black text. Below the title is a horizontal line. The main content area is white and contains a login form. The form has two input fields: one for 'user' (with placeholder text 'Enter id') and one for 'Password' (with placeholder text 'Enter Password'). Below these fields is a green 'login' button. At the bottom of the form, there is a link to 'Register' for users who do not have an account.

After Clicking on Particular Orphanage :

The screenshot shows a web browser window with a single tab titled "Insert title here". The address bar displays the URL "localhost:8080/OrphanageManagement/editForm.jsp?name=A...". The page content has a light blue background and features the heading "Welcome to ADHAR Orphanage". Below the heading, there are five labeled text input fields: "Orphanage Name" (containing "ADHAR"), "Child Available" (containing "100"), "Address" (containing "abc ring road"), "Contact No" (containing "1234567890"), and "Email" (containing "aadhar@social.com"). At the bottom of the form is a button labeled "Click Here For Adoption".
